Item 94 on p 23 of (E)

A scheme at a total cost of Rs. 4521/- for the purchase of furniture and science articles for the Rosario High School, Mangalore was included in the approved list for payment during 1951-52. The Correspondent has purchased equipment at a total cost of Rs. 3877-13-3. The cost of the approved items works to Rs. 3560-5-0 rendering the school eligible for a half grant of Rs. 1780/- . On account of the delay in the submission of the vouchers by the correspondent, the grant due to the school, could not be sanctioned during the year 1951-52. Consequently the provision made in the budget for that year for the scheme lapsed.

2. I therefore request the Government to authorise me to sanction the grant of Rs. 1780/- to the school during the current year. The expenditure in this regard is proposed to be met by reappropriation of funds under the relevent head "37 Education", and if this is not possible necessary additional provision will be suggested in the Final Revised Estimate for 1952-53.

Yours faithfully.

for Director of Public Instruction.
